

# Safety Data Sheet

Product Name: DANISH VANILLA CUSTARD

## 1. Identification

Product identifier used on label: DANISH VANILLA CUSTARD FLAVOR OIL

Product Name: DANISH VANILLA CUSTARD

### Other means of identification

Synonyms: No Data Available

Recommended use of the chemical and restrictions on use: GRAS Fragrance

Name, address, and telephone number of the chemical manufacturer, importer, or other responsible party

Chemical Manufacturer /  
Importer / Distributor: RUSTIC ESSENTUALS, LLC  
1050 CANAAN RD  
ROEBUCK, SC 29376

Emergency phone number: EMERGENCY PHONE: (800) 535-5053  
INFORMATION PHONE: 864-582-9335  
INFORMATION FAX: 864-582-9334

If swallowed, call your Poison  
Control Center at: 1-800-222-1222

## 2. Hazard(s) identification

The composition of this product is classified as a trade secret in accordance with CFR 29 1910. 1200 . This product is a mixture for which no health hazard data exist. The hazards communication standard requires that such mixtures be assumed to present the same health hazards as do components that constitute at least 1% of the mixture (0.1% for carcinogens) although OSHA has noted that the hazards of individual components may be altered by including them in the mixture. Based on the information currently available from reliable sources we estimate that this mixture may have properties which can be potentially hazardous to health: HARMFUL IF SWALLOWED, IRRITATING TO EYES, IRRITATING TO SKIN, IRRITATING TO NOSE, THROAT AND LUNGS.

**WARNING:** Odor counteractants/neutralizers must not be used to conceal any hazardous or dangerous vapors or conditions. Where such dangerous or hazardous vapors or conditions exist: appropriate warning labels, material data safety sheets and warnings of improper usage must be provided to those persons expected to come in contact with the hazardous product or condition.

EU CLASSIFICATION: (1999/45/EC): Xi- Irritant  
EU RISK /SAFETY PHRASES: R36/37/38, R43, S24, S26, S28  
CANADIAN WHIMIS CLASSIFICATION: N/A

# Safety Data Sheet

Product Name: DANISH VANILLA CUSTARD

Classification of the chemical in accordance with paragraph (d) of §1910.1200;

**Emergency Overview:** At high temperatures, if vapors build up, this product could be flammable. Static electrical charges created by emptying product from containers or near open flames could cause a flash fire. Vapors / fumes generated by heat or evaporation may also cause eye irritation and/or respiratory irritation with throat discomfort, coughing or difficulty breathing.

**ROUTES OF ENTRY:** Skin Contact, Eye Contact, Inhalation, Ingestion.

**ACUTE HEALTH HAZARDS:** May be irritating to skin, eyes and respiratory system.

**CHRONIC HEALTH HAZARDS:** Unknown  
**MEDICAL CONDITIONS**  
**GENERALLY AGGRAVATED BY**  
**EXPOSURE:** Not established. Unnecessary exposure to this product or any chemical should be avoided. Persons with pre-existing skin or lung disorders may be more susceptible to irritating effects.

**CARCINOGENICITY:**  
OSHA: No  
ACGIH: No  
NTP: No  
IARC: No  
OTHER: No

## 3. Composition/information on ingredients

The identity of the specific components of this mixture is proprietary information and is regarded to be a trade secret, in accordance with Paragraph 1910.1200 of Title 29 of the Code of Federal Regulations. Please refer to Section 2 for Health Hazard Identification based on the evaluation of the individual components.

## 4. First-aid measures

Description of necessary measures, subdivided according to the different routes of exposure, i.e., inhalation, skin and eye contact, and ingestion:

**Eye Contact:** Contact with eyes can produce burning sensations. Treatment: Irrigate with water immediately, continue flushing eyes with water for 15 minutes. Seek medical attention if irritation persists.

**Skin Contact:** Skin contact can produce irritation, or itching of the skin. Frequent or prolonged contact with the concentrated material could possibly cause dermatitis. Treatment: Remove contaminated clothing, wash with soap and water, seek medical attention if irritation persists.

**Inhalation:** Signs of overexposure: Dizziness, nausea. Treatment: Move subject

# Safety Data Sheet

**Product Name: DANISH VANILLA CUSTARD**

to fresh air, monitor breathing, give oxygen if breathing is labored, and seek medical advice.

**Ingestion:** Treatment: Rinse mouth with water immediately, call for medical assistance, give subject milk or water, do not induce vomiting.

Most important symptoms/effects, acute and delayed:

**Most important symptoms/effects (Acute):** No Data Available

**Most important symptoms/effects (Delayed):** No Data Available

**Indication of immediate medical attention and special treatment needed, if necessary:** No additional first aid information available

## 5. Fire-fighting measures

**Flash Points** Fahrenheit: >200, Celsius: >93.33

This material is a combustible liquid by OSHA classification (Combustible if Flash Point: 142-200°F)

Suitable (and unsuitable) extinguishing media:

**Suitable extinguishing media:** Carbon Dioxide, Dry Chemical, Foam, or other NON-Aqueous material.

**Unsuitable extinguishing media:** No Data Available

**Method Used:** ASTM D6450 - Continuous Closed Cup

**Flammable Limits:** Not determined.

Specific hazards arising from the chemical (e.g., nature of any hazardous combustion products):

**Flammability Summary:** Combustible at elevated temperatures

**Fire and/or Explosion Hazards:** Empty containers retain product residue (liquid or vapor) and can be dangerous. They should be rinsed with water and disposed of properly. Soaked rags or paper may pose a spontaneous combustion hazard in unsealed trash receptacles.

**Hazardous Combustion Products:** Carbon dioxide, Carbon monoxide, Acrid fumes, and other unidentified organic compounds.

**Special protective equipment and precautions for fire-fighters:** Treat as a chemical fire. Self-contained breathing apparatus and protective clothing should be worn when fighting fires involving chemicals.

# Safety Data Sheet

Product Name: DANISH VANILLA CUSTARD

## 6. Accidental release measures

**Methods and materials for containment and cleaning up:** Eliminate all ignition sources. Ventilate area. Contain spill and absorb spill onto inert material. Place material into a suitable container and dispose of in accordance with local regulations. DO NOT leave soaked rags or paper in unsealed receptacles as spontaneous combustion may sometimes occur under certain circumstances.

## 7. Handling and storage

**Precautions for safe handling:** Mildly irritating material. Avoid unnecessary exposure.

### Conditions for safe storage, including any incompatibilities

**Conditions for safe storage:** Use splash goggles or face shield when eye contact is possible. Respiratory protection is not generally required, if desired use NIOSH approved organic vapor respirator. Use chemical resistant gloves as needed to avoid prolonged or repeated contact. Store in a cool, dry, well ventilated area away from all sources of heat or flame.

**Materials to Avoid/Chemical Incompatibility:** Strong oxidizing agents Strong bases

## 8. Exposure controls/personal protection

**Appropriate engineering controls:** No exposure limits exist for the constituents of this product. No engineering controls are likely to be required to maintain operator comfort under normal conditions of use.

### Individual protection measures, such as personal protective equipment:

**Ventilation:** General, meeting ACGIH criteria as needed to control vapor.

**Eye Protection:** Use splash goggles or face shield when eye contact may occur.

**Skin Protection:** Use chemical resistant gloves as needed to avoid prolonged or repeated contact. Use of a rubber apron is recommended when handling large quantities of this material.

**Work/Hygienic Practices** Good personal hygiene practices should be used. Wash hands after any contact, before breaks and meals, and at the end of the work period. Contaminated clothing and shoes should be cleaned before using again.

**Respiratory Protection:** None generally required. If desired wear a NIOSH approved respirator.

**Exposure Guidelines:** This material is intended for manufacturing use only. Contaminated equipment should be cleaned with soap and water. Do not discharge wash water into lakes, streams, ponds, or public waters.

# Safety Data Sheet

Product Name: DANISH VANILLA CUSTARD

## 9. Physical and chemical properties

### Appearance (physical state, color, etc.):

Appearance (physical state):	Very pale yellow color
Odor:	Comparable to Standard
Odor threshold:	Not determined
pH:	Not Available
Melting Point/Freezing Point (°C):	No Data Available
Initial Boiling Point and Boiling Range (°C):	No Data Available
Flash Point :	> 200 ° F
Evaporation Rate:	No Data Available
Flammability (solid, gas):	No Data Available
Upper/lower flammability or explosive limits:	
Upper Flammable/Explosive Limit:	Not Available
Lower Flammable/Explosive Limit:	Not Available
Vapor Density:	Not Determined
Specific Gravity:	(H2O=1): 0.8761
Solubility(ies):	Soluble in water- No
Decomposition Temperature::	No Data Available
Viscosity:	No Data Available
Refractive Index:	No Data Available
VOC content:	Air fresheners whose VOC constituents consist of 100% fragrance are not subject to the EPA or VOC Emissions Standards for consumer products.

## 10. Stability and reactivity

Reactivity:	No Data Available
Chemical stability:	This material presents no significant reactivity hazard. Hazardous polymerization will not occur and it will not react violently with water. Contact should be avoided with strong oxidizing agents.
Possibility of hazardous reactions:	No Data Available
Conditions to avoid (e.g., static discharge, shock, or vibration):	Temperatures above the high flash point of this combustible material in combination with sparks, open flames, or other sources of ignition.
Incompatible materials:	
Hazardous decomposition products:	None known

# Safety Data Sheet

Product Name: DANISH VANILLA CUSTARD

## 11. Toxicological information

<b>Information on the likely routes of exposure (inhalation, ingestion, skin and eye contact):</b>	Prolonged contact with the undiluted material may cause irritation.
<b>Symptoms related to the physical, chemical and toxicological characteristics:</b>	No Data Available
<b>Target Organs Potentially Affected by Exposure:</b>	No Data Available
<b>Chemical Interactions That Change Toxicity:</b>	None Known

### Delayed and immediate effects and also chronic effects from short- and long-term exposure:

Prolonged contact with the undiluted material may cause irritation to skin, eyes, and respiratory system. May cause serious health effects if swallowed. May cause allergic dermatitis.

### Immediate (Acute) Health Effects by Route of Exposure:

<b>Inhalation Irritation:</b>	Inhalation of high vapor concentrations may result in eye, nose, and throat irritation, headache, nausea, and dizziness.
<b>Skin Contact:</b>	Repeated or prolonged contact can cause redness, irritation and scaling of the skin (Dermatitis). Normal care and personal hygiene should prevent adverse skin effects.
<b>Eye Contact:</b>	Contact with eyes may cause irritation.
<b>Ingestion Irritation:</b>	Low order of toxicity. Causes irritation of the stomach and intestines, resulting in nausea and vomiting.
<b>Medical Conditions Aggravated by Exposure:</b>	May possibly aggravate dermatitis, psoriasis and other skin conditions.

### Long-Term (Chronic) Health Effects:

<b>Carcinogenicity:</b>	None of the substances have been shown to cause cancer in long term animal studies. Not a carcinogen according to NTP, IARC, or OSHA.
<b>Reproductive and Developmental Toxicity:</b>	No adverse effects on reproduction are known.
<b>Mutagenicity:</b>	No data is currently available.

## 12. Ecological information

<b>Ecotoxicity (aquatic and terrestrial, where available):</b>	This material is not expected to be harmful to the ecology.
<b>Persistence and degradability:</b>	No Data Available
<b>Bioaccumulative potential:</b>	No Data Available
<b>Mobility in soil:</b>	No Data Available
<b>Other adverse effects (such as hazardous to the ozone layer):</b>	No Data Available

# Safety Data Sheet

Product Name: DANISH VANILLA CUSTARD

## 13. Disposal considerations

**Description of waste residues and information on their safe handling and methods of disposal, including the disposal of any contaminated packaging**

**Description of waste residues:** Spent or discarded material is not expected to be a hazardous waste.

**Safe Handling of Waste:** Refer to section 8 for information pertaining to personal protective equipment and exposure controls when handling this material for disposal.

**Waste treatment methods (including packaging):** Dispose of this material at a local, state or federally approved landfill, incinerator or recovery facility. DO NOT DUMP INTO ANY SEWERS, ON THE GROUND, OR INTO ANY BODY OF WATER. All disposal practices must be in compliance with all Federal, State/Provincial and local laws and regulations. Regulations may vary in different locations. Waste characterizations and compliance with applicable laws are the sole responsibility of the waste generator. As your supplier, we have no control over the management practices or manufacturing processes of parties handling or using this material.

## 14. Transport information

**US DOT Ground Shipping** Not Restricted

**Description:**

**IATA Shipping Description:** Not Restricted

**IMDG Shipping Description:** Not Restricted

## 15. Regulatory information

The following declaration must not be detached from this MSDS. Any copying or distribution of this MSDS should contain the following declaration:

**EPA Toxic Substances Control Act (TSCA):** All of the components of this product are listed on the TSCA Inventory or exempted from TSCA.

**Canadian WHMIS Classification:** Class B3

**EU Labeling:**

Xi- Irritant

R10- Flammable

R36/37/38- Irritation to eyes respiratory system and skin

R43- May cause sensitization by skin contact.

S24- Avoid contact with skin

S26- In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.

S28- After contact with skin, wash immediately with plenty of soap and water.
